

Flavors that make Scents

Is it a flavor or is it a fragrance?

GSB Flavor Creators introduces a new product line!
These are **Flavors that make Scents!**

They are FEMA GRAS, all-natural, oil-soluble products perfectly suited for use in cosmetics, lotions, candles, shampoos, aromatherapy and potpourri. They not only smell wonderful, but they taste great too!

Kickin' Kaffir Lime

Just-baked Banana Nut

Alluring Acai

The Ugly Dragon

Lingering Lavender Berry

Outrageous Orange Cream

Romantic Raspberry Rose

Cheery Cherry

In creating our all-natural, oil-soluble Flavors that make Scents, we duplicated what nature intended the flavors to smell and taste like. They are not composed of man-made synthetics, but have ingredients that are actually found in nature. Most are Kosher Certified. Some are 95% NOP Organic Compliant.
