

# Flavors that make Scents

Is it a flavor or is it a fragrance?

**GSB Flavor Creators** introduces a new product line!  
These are **Flavors that make Scents!**

They are FEMA GRAS, all-natural, oil-soluble products perfectly suited for use in cosmetics, lotions, candles, shampoos, aromatherapy and potpourri. They not only smell wonderful, but they taste great too!

**Toasty Toasted Coconut**

**Fantastic Fig**

**Liquid Sunshine**

**Black Orange Berry**

**Perfect Pear**

**Punkin' Pie**

**Time for TEA**

**Tasty Tomato**

In creating our all-natural, oil-soluble Flavors that make Scents, we duplicated what nature intended the flavors to smell and taste like. They are not composed of man-made synthetics, but have ingredients that are actually found in nature. Most are Kosher Certified.
