## A Little Bit of Spice and Everything Nice!

KENNESAW, GA - March 11, 2010

### GSB Flavor Creators debuts, A Little Bit of Spice and Everything Nice!

Two all-natural, powdered flavors are featured in this launch. They are dynamic blends of lime, chili and paprika to awaken your taste buds and ensnare your senses. These flavors are reminiscent of a popular flavor palate in Hispanic and Latino dishes and work well in seasonings that are sprinkled on sliced vegetables and fruits.

GSB's spice flavors are also to-die-for in cheese dips, salsas, appetizers and even as seasonings for popcorn!
