

# NATURAL SUGAR EXTENDER FLAVOR

**Are you developing products to reduce the amount of calories?**

**Do you want to save money by using less sugar, but want it to taste like you didn't?**

**GSB Flavor Creators has created an **ALL-NATURAL Sugar Extender Flavor** that when used in a standard beverage, will replace about 17% sugar, lower calories by about 25 per 10-ounce bottle and lower your case costs by about \$0.05 per case of (24) 10-ounce bottles.**

**Ask us about our new development!**

**Look to GSB Flavor Creators for your custom flavor creation solutions! We can help you achieve any flavor profile that suits your creative direction. Find that competitive edge you have been looking for.**
